

Southwest Vegetation Management Association Annual Conference October 28th - 29th, 2026

Mark your calendars! The Annual SWVMA Conference will be held in Fort McDowell, Arizona this fall!

Conference LOCATION: We-Ko-Pa Casino, 10438 Wekopa Way,
Fort McDowell, AZ 85264

FIELD TRIP Location: Phon D Sutton Recreational Area and
McDowell Regional Park

The Southwest Vegetation Management Association mission is to conserve and protect Arizona's natural resources for future generations by providing a state-level organization that emphasizes an integrated management approach to address invasive or pest plants. This year's training event will include a trip to the Lower Salt River Phon D Sutton Recreational Area to visit a riparian restoration project that includes treatment of salt cedar, buffelgrass, and fountain grass. We will conclude our trip with a visit to a fire fuel break project, including treatment of red brome and stinknet, at McDowell Regional Park. **CEUs will be available!**

A block of rooms will be available for reservation at a discounted rate. Please visit swvma.org/conference for more information on room reservations and registration.

We look forward to seeing you this fall!
